

## CHAIRMANS AUTUMN MESSAGE

Brenda has asked me to give her apologies that she is unable to issue the Autumn edition of TATTS but please send her your contributions for the Winter issue.

Another great weekend at the family camp. It's interesting to see how far we have come from that first weekend at the Maliinson scout centre with just one generation from the show. Now we are joined not only by our children and grandchildren but also great grandchildren – long may it continue.

Thanks again to Peter for organising such a good weekend and to Brenda for her invaluable contribution. Book next year's date, the last FULL weekend in June.

Our next event is the AGM on Sunday 26 October, book the date now, details attached. Business dealt with promptly with plenty of time for catching up with friends. Come and hear what has been going on, what we are planning with the Crewkerne museum and the result of our negotiations with the Scout association re The Ralph Reader Memorial Fund.

We were very pleased to learn that Sheila Burston was made an MBE in the Queen's birthday honours list for services to people with diabetes and their carers. Congratulations Sheila.

I look forward to seeing you in October.

David Clay
