Memories of
The London Gang Show
A Multimedia Archive

INTRODUCTION

Welcome to this collection of photographs and other information from the London Gang Show which ran from 1932 – 1974. Most of these photos date from 1953 onwards but there is a small selection of other years under miscellaneous.

After each show Ralph was presented with an album of photos for that show and these were passed to Bob after Ralph's death in 1982. These albums are what you are now going to see.

So enjoy and relive those memories.
